Continuation of 4(e) Other: The last two lines of claim 1 do not show the text of the last entered claim of 7-20-04 with all the deleted language struck thru and all the added language underlined.

It is noted that the replacement Figures 4A and B show the ratios to be the same. It is noted that the substitute specification and the marked up copy still refer to only Figure 4 not Figures 4A and 4B. Also it is noted that the marked up copy of the specification on pages 7-9 do not show all the added language underlined and include misspellings.
